 I was so happy with your nice letter. I thank  
 you very much for the money I had sent  
 and for the money which I had sent  
 on a letter to you. I had sent you  
 C. Franck Sonata in A major, variations  
 of the same piece in C major, P. Liszt's  
 Sonata in A major - oh! it was been  
 signed. I wanted to cry! (14) - The cold is  
 terrible today but the sun always shines.  
 I like to go skating on the lakes.  
 I take English lessons and I like it so much.  
 The promised letter will soon be there!  
 Best regards to every one from my mother  
 and yours affectionately Guineer
