STEINWAY

The Instrument of the Immortals

UNSWERVING fidelity to the ideal of its creator has made Steinway the continual leader in the development of piano manufacture. Each of Henry Steinway's descendants has contributed his own particular genius and ability to the perfection of Steinway craftsmanship. This devotion to perfection likewise has made possible the Steinway of the home. In the smaller grand or upright, suitable for the modest abode, the Steinway tone lives in all its glory and nobility. Once you have heard or played a Steinway there can be no question of your choice. It will be your piano, just as it is the piano of the masters who have named it, Steinway—Instrument of the Immortals.

Any new Steinway piano may be purchased with a cash deposit of 10%, with the balance extended over a period of two years. Used pianos accepted in partial exchange.

Prices: \$875 and up
